

Become a cluster user

Usage policies:

1. UIC Chemistry Department faculty, staff, postdocs, and students, please contact Ms. Lela Vuković to obtain an account.
2. There is no limit on the character of calculations performed and quota limit on the disk space usage, however, the overall cluster usage is monitored.
3. It is the users responsibility to run the calculations effectively and keep their data securely stored elsewhere. For initial advising, please contact Ms. Vuković.

Account Request:

To get an account, please send an email to lvukov1@uic.edu with these details:

1. What is your full name?
2. What group are you in?
3. What is your office room number?
4. What is your office telephone number and UIC email address?
5. What would you like for a login ID? (Maximum length is 10 characters)
